

**Penola**  
CATHOLIC COLLEGE  
EST. 1995

### *Co-Curricular Program – Senior Campus*

Penola Catholic College seeks to develop its students in all aspects of life – not only academically but also physically, spiritually, culturally and socially.

The Co-Curricular Program is an essential part of a full school life, offering enriching opportunities beyond the classroom for students:

- To develop their personal skills in a range of service and leisure activities which they can continue into adult life.
- To make a significant contribution to the wider life of the College.
- To gain experience in leadership and in working within a team to achieve a common goal.

We encourage every student to commit to at least one activity each semester. Recognition of each student's involvement is recorded on Semester Reports.
